

sep 13, 1851

American medical pioneer
Walter Reed was born in
Gloucester County, Va.

1851

The fact that the Earth rotates was not clearly demonstrated until 1851, when Jean Bernard Léon Foucault set up an experiment in which a pendulum seemed to change its plane of swinging slowly. Actually, the pendulum continued to vibrate in a single plane; the Earth carrying the observer was slowly rotating beneath

June 2, 1851

and Senate wings were
added

1851

PRIM VS KELLY

A faithful Negro slave. Came to
nearby Courtney Boone County in
1851 with his master, John

W. S. WEST from North Carolina

~~at~~ outbreak of Civil War West
sent Kelly to take care of his 3 sons -
Robert M., Richard, and John Haywood -
who joined Terry's Texas Rangers,
where they served well. Kelly joined

his Charges in battle, firing his own
musket and cap & ball pistol. Twice
Kelly brought to Texas the wounded
Richard, twice took him to the front again.
After War, bought a small farm, raised
a large family and prospered. Died in
1890s

1851
